Social Butterflies Club® Social Skills Program at CBA
Lunch Meet-Up

Social Butterflies Club® Social Skills Program is back for the 2022-2023 school year at CBA! Groups will begin in September and will meet 2x per week for 30 minutes during lunch time. Lunchtime is a great time to work on social communication skills as it is a natural setting for children. Most children really struggle during these unstructured social times. We work with all the children to develop necessary social communication skills during their lunch. Each child will have specific goals based on their initial screening. Each semester, parents will be provided with a progress note for their child to track progress.

How It works:

- 🦋 Once registered, you will be billed for the sessions a month in advance via email.
- 🦋 Tuition is due by the first day of the month.
- 🦋 Payments are accepted online or can be sent into your child's school with checks payable to **Social Learning, LLC**
- 🦋 Our Speech-Language Pathologist and/or Educational Specialist will complete an informal screening at your child's first session to develop a plan of care and goals for your child.
- 🦋 Monthly summaries are sent home to all parents. K-8th grade students will receive progress notes each semester with their individual progress.

FEE: \$50.00 per week (2 Lunch social skills group sessions per week) for students. Parents will be billed monthly for services. *
Sliding scales are available for those who qualify. Please contact us for the application.
